

1. What is Machine learning and how is it categorized?
2. Explain the TCP/IP Model in networking. Include a block diagram.
3. What are the differences between Procedural and Object-Oriented programming?
4. What is the architecture of a Neural Network? Include a block diagram.
5. How does Blockchain ensure data security?
6. What is the difference between a compiler and an interpreter?
7. Draw block diagram OSI model in computer Network.
8. Explain the computer architecture diagram with some examples.
